

## Policy for Quality

NADO Italia, a functional joint of the World Anti-Doping Agency (WADA), has always been committed to fighting doping in sport in Italy, through the implementation of national anti-doping program. The anti-doping program is aimed at preserving integrity in sport, integrity intended as observance of rules, respect for other competitors, fairness and equality in competition, as well as respect for the value of a clean and doping-free sport.

In this context, NADO Italia, aware that an effective process management is significant for the quality of service, has decided to implement a Quality Management System in accordance with the standard ISO 9001, to ensure compliance with the requirements, for the purpose of identifying risks and opportunities aimed to continuous improvement and to the satisfaction of all stakeholders.

NADO Italia has identified the following as prevailing objectives for Quality:

- Promotion of the values of integrity for a clean and doping-free sport;
- A full compliance with WADA anti-doping regulations;
- Protection of personal data of athletes and other stakeholders;
- Refinement of internal management and resource development.

NADO Italia is committed to achieve these objectives for Quality, ensuring the deployment of required resources for their pursuit and planning the Quality Management System in accordance with the established guidelines.

The Policy for Quality of NADO Italia is a guiding document for all stakeholders; for this purpose, it is periodically reviewed, shared and promoted by NADO Italia.
